ESG SCORE: C

D

ESG Score represents the evaluation of the compliance to ESG principles (Environment, Social, Governance) of a business, taking also into consideration industry sector and country/region.

The ESG Score is calculated based on a proprietary methodology from Orif S.p.A. and is based on the information which is disclosed by the subject itself to whom the score is referred to (Evaluated Entity). Above mentioned information is voluntarily disclosed under the only responsibility of the Evaluated Entity and is not verified by Crif S.p.A. The ESG Score is referred to completion date of the questionnaire (it is not manifered continuously in time). The ESG Score is not a certification nor a specific evaluation, it has the only scope to group Evaluated Entities in reference classes for information purpose only. The ESG Score is not subject to any guarantee of accuracy, completeness, reliability of the data. Off S.p.A. has not responsibility on the use of the score from third parties. Orif S.p.A. is not liable for any decision based on the ESG Score taken by the Evaluated Entity or by any other entity.

'The methodology used for the assessment platform is derived by Orif Ratings. Orif Ratings is a company whose general rating framework is certified by the European Securities and Markets Authority (ESMA).
